

Titan[®]

Beautiful yet tough

At last, the look and feel of real Australian Hardwoods... with the tough and colourfast finish of laminate flooring.

This state of the art laminate floor is stain resistant, scratch resistant, fade resistant, moisture resistant and simply a joy to live on. The Kwik-Fit joining system means a quick, no fuss installation with no gaps.

If you want the authentic look and feel of real Australian Hardwood flooring, but without the problems and cost of traditional flooring, the answer is Titan. In fact, Titan looks so good, it's hard to believe.
